

2018 SPONSORSHIP AND REGISTRATION

Saturday June 16th, 2018 / Prescott Golf Club

Dear friends,

I am happy to be returning home to host this special event again in 2018. We had a lot of fun last year and raised over \$15,000 for a cause we all care deeply about.

This disease is close to my heart and I have seen first-hand how it can impact a family. The Alzheimer's Society provide services that are very important to families struggling with Alzheimer's and related dementias, and I am proud to support our local Leeds, Grenville, & Lanark Alzheimer Society. The goal of this event is to help support the wonderful work being done by the Society in our communities, along with raising awareness of the personal and social consequences of the disease.

Please consider sponsoring, providing a prize, or coming out to enjoy the day. Your support could make a huge difference in the lives of so many local families. I look forward to personally welcoming you at the course, and sincerely thank you for your support.

Take care and see you soon,

Ben Hutton
