

Do you own a commercial building or manage a business in Downtown Kemptville?

If you do, you should plan to attend the

BIA Expansion Information Meeting

May 24th - 6pm

Program Room

North Grenville Public Library.

The BIA is in the early stages of consulting with Kemptville businesses about expanding it's borders to better serve the community. They've completed a Prospectus that lays out their rationale for expansion and details on how that might be achieved. It can be downloaded from

www.oldtownkemptville.com.
