

# Community Retrofit Loan Program

**ATTENTION**  
**Business & Building Owners**

***Interest Free Loans Available  
Until December 15, 2017  
APPLY NOW!***

## ***The Community Retrofit Loan Program***

provides financial assistance for  
industrial retrofits, façade improvements and interior and exterior retrofits.

Repayable, non-interest bearing loans, amortized over up to five years,  
are available to qualifying businesses and commercial property owners in  
Augusta, Edwardsburgh/Cardinal, North Grenville and Prescott.

Industrial retrofits that enhance the commercial property and/or increase business competitiveness are eligible. Home based business exterior retrofits will be considered eligible where a clearly designated business entrance exists. Façade improvements include storefront improvements, repair or restoration of heritage elements, signage, lighting, awnings and other related improvements. Façade improvements that are in accordance with design guidelines supported by the local municipality and/or the local business association will be given priority.

***Applications available online at [www.grenvillecfdc.com](http://www.grenvillecfdc.com).***
